Safety Data Sheet

Primary Use: SEASONING

Colour: DEEP ORANGE

Texture: FREE FLOWING GRANULES & POWDER

EU Regulated Allergens

Contains: , Gluten, SO2 (4482 ppm).

Constituents: BREADCRUMB (MADE FROM: WHEATFLOUR, YEAST, SALT, WHEAT GLUTEN, FLOUR TREATMENT AGENT (E300)), RUSK (MADE FROM: WHEATFLOUR, SALT, RAISING AGENT (E503)), SPICES, SALT, SUGAR, RED BELL PEPPER POWDER, MALT VINEGAR POWDER, GARLIC POWDER, STABILISER (E451 (1.20%)), PRESERVATIVE (E221 (0.90%)), SPICE EXTRACTS, OREGANO, ONION POWDER, SMOKE FLAVOURING, FLOUR TREATMENT AGENT (E300)

Hazard Statement: This product is intended for human consumption. The product is known to contain one or more regulated EU allergens (as above) and should be avoided by individuals with a known sensitivity to said allergen.

First Aid Measures: Remove from allergen source and seek appropriate medical advice.

Fire Fighting: This product does not normally present a fire or explosion hazard. However, it is known that very high levels of dust containing organic materials may form an explosive dust cloud in the air and may combust in fire. Extinguish with Water, CO2, Dry Powder or Foam.

Handling / Storage: No specific measures required, though to ensure product quality: Ambient Conditions (5-25°C, <50% Relative Humidity) are recommended. Allergenic labelling and segregation is recommended.

Accidental Release: No special measures required, but for large quantities of spillage avoid the direct application of water. Use PPE, Remove dry material by brushing / vacuum cleaning, taking care not to generate dust. Remove residues using a moistened cloth. When cleaning take note of allergenic content.

Stability Controls: No specific measures, product not known to evolve fumes on contact with water; or be liable to combust in normal conditions.

Exposure / PPE: Where handling techniques create dust levels in excess of 10mg/m3 total inhalable dust and/or 5mg/m3 respirable dust, inhalation should be safeguarded by enclosure, use of LEV, or where these measures are impracticable, by the use of approved respiratory protective equipment.

Disposal Measures: Dispose of in accordance with local regulations.
