Notes on allergen information:

The statements of this allergy information correspond to our current knowledge and are based on our supplier's declarations regarding the contained raw materials.

The information relates only to the raw materials included according to the recipe, and for which no derogation provided for in Annex II to Regulation (EU) No 1169/2011 have been issued.

On the problem of cross-contamination of allergens we inform you that the company AVO is committed by regular cleaning of the mixing and conveying systems to minimize the risk of spread of potentially allergenic substances as small as possible.

However, because of our variety of products cross-contamination with allergens listed above and used in our business can't be completely avoided, so allergens could possibly occur in traces.

8. Non-GMO-confirmation:

Hereby we confirm that the product described in this specification is not based on genetically modified organisms and that there are no labelling requirements within the meaning of regulation No 1829/2003.

9. Additional Information:

- * Above product conforms to LFGB (German Food and Feed Code) including said law's follow-up regulations, as amended and legally in effect at a given point in time. In as much as applicable, purity requirements pursuant to food legislation as laid down by the EU regulations for pesticide residues and contaminants are also complied with.
- * We have implemented a HACCP-System according to regulation (EC) no 852/2004.
- * Ionizing radiation treatment for germ count reduction is not employed.
- * Where applicable microbiological standard levels and alert levels given by "Deutsche Gesellschaft für Hygiene und Mikrobiologie (DGHM)" for spices are complied with.
- * Product is free from foreign matter to the degree achievable by technology in place.
- * The packaging materials used by us, such as aroma protection packaging, bags, sacks, buckets, canisters, large containers, etc., comply with GMP Regulation (EC) No. 2023/2006, Regulation (EC) No. 1935/2004 for food contact materials and the legal requirements of LFGB (German Food and Feed Code), as amended and legally in effect at a given point in time. Our packaging materials primarily consist of polyethylene, polypropylene, polyamide, polyester, stainless steel. Declarations of Conformity are available for all primary plastic packaging in accordance with the requirements of Regulation (EU) No. 10/2011.
- * We are a company certified according to the International Featured Standards (IFS) Food.
- * All statements contained in this specification reflect our current state of knowledge and experience, and are intended - and to be viewed - as information about this respective product only. As such, they do not constitute an exempt from any customer obligation to conduct own testing. Also, compliance with all regulations legally relevant to further processing shall be incumbent upon the customer and/or user of this product.
- * This product specification shall remain valid for a maximum period of 36 months from the date it went into effect (see above) unless earlier revoked or replaced by an updated version. As a general rule, the most currently dated specification shall always be considered as the one in effect.
