

Cowboy Butter Flat Iron

STEAKS

INGREDIENTS

Flat Iron Steak

AVO Lafiness Cowboy Butter Marinade

METHOD

1. Trim and prepare the **Flat Iron Steaks**.
2. Brush evenly with the **AVO Lafiness Cowboy Butter Marinade** at an approximate usage rate of 10%.
3. In America, **Flat Iron Steaks** are popular for grilling and steak sandwiches. They're often used in casual dining, barbecue plates, fajitas, or sliced thin for salads and stir-fries due to their tenderness and rich flavour.
4. Serve the **Flat Iron Steaks** with roasted vegetables, a fresh salad, or your favourite side for a hearty, flavourful meal.

For allergen information, please refer to the relevant product specification.

BBQ

SALAD

Inspired by the online trend of using a spicy butter as a dip, this AVO Lafiness Cowboy Butter oil-based marinade brings rich flavours of butter complimented with herbs, garlic and mustard. A buttery, attractive and moreish marinade that is perfect with all meat, vegetables and potatoes.
